Helicopter: 1110 4004

The helicopter is equipped with four push buttons in the half sphere. The displayed water effects and rotation of the blades are initiated by the buttons.

1. Water spouting from the four large blades at the top of the helicopter.
2. Water spouting from the three small blades at the back of the helicopter.
3. Water spouting from two nozzles in either of the ski's.
4. Water spouting from two nozzles in the front of the helicopter.
