1952 – a novel idea to produce a training mat made of soft foam, and thus the year the AIREX® brand was born. Since that time, AIREX® is a symbol for innovative leadership within the development and production of fitness-, therapy- and balance products of the highest quality.

The AIREX® Heritage Mat symbolizes the AIREX® brand's promise in its own unique way, starting with the very first AIREX® mat produced for the Swiss Army. This mat can be used as a multifunctional mat in different segments. We offer the AIREX® Heritage Mat together with the AIREX® Dry Bag as a «Limited Edition Set».
