E1	 The image contains two technical drawings. The top drawing is a side view of a seesaw (teeter-totter) with two seats, each featuring a cartoon animal head. The seats are mounted on a central pivot supported by two springs, which are in turn supported by two conical legs. The bottom drawing is a top-down view of a balance scale with two pans, each with a cartoon animal head. It is supported by a central spring and a single conical leg. A vertical dimension line to the right of the scale indicates a height of 139.	1
E2	 A technical drawing of a rectangular box or container. It has a front face with a small rectangular panel containing a circular feature and a vertical slot. The box is shown in a three-quarter perspective view.	1
