

**WORLD ATHLETICS CERTIFICATION SYSTEM**

List of Certified Competition Track Equipment - as at 1 August 2022

WORLD ATHLETICS IS PLEASED TO CONFIRM HERewith THAT THE FOLLOWING PRODUCTS HAVE BEEN TESTED AND MEET THE TECHNICAL REQUIREMENTS FOR USE IN ALL INTERNATIONAL ATHLETICS COMPETITIONS. Certificates issued before 2020 listed in the name of "International Association of Athletics Federations" or "IAAF" have the same validity as being issued under the new name of "World Athletics".

Products with a World Athletics Product Certificate are not all of the same quality, even though they meet the minimum required specifications. The purchaser must make their own assessment of the product quality. Equipment supplied should be checked for compliance with the technical rules before being accepted from the supplier.

It is for the purchaser to determine the item's quality, fitness for the purpose and ease of operation, based on his and the local athletics technical officials' knowledge of the local conditions and use.

Throwing safety cages, in particular, must be assessed by the purchaser as to the minimum design wind speed at which the netting must be lowered with the following limitations:

Major international competitions > 15m/s. Venues where the netting is left permanently in place, 1 in 50-year maximum wind gust for the locality.

Variation of colours is acceptable if the product otherwise complies.

**STARTING BLOCKS**
