

243 Gymleco legpress

200 series Cable and Smith machines

Leg press with a tasteful and open design that saves space. The trolley movement is smooth and stable thanks to the suspension and the unique construction with only a single strong central beam.

The open design with only one central beam gives maximal safety to its users.

An additional central handle facilitates the access to the machine.

The large footplate and the ergonomically designed seat provides great freedom of exercise.

- Adjustable backrest, headrest and footrest.
- Large, adjustable, rubber-coated base plate with thigh training section.
- Ergonomic angles.
- Very solid frame and carriage.
- Standard frame color: black
- Standard color cushion: black / red
