

# 364 Gymleco Adductor / Abductor

300 series, Selectorized machines / Multimachines

The machine saves space but does not compromise on functionality. It has a clean and stylish design with a sitting position where the inner and outer thighs are optimally activated.

You sit with your legs at almost 90 ° angle which gives a comfortable sitting position. The machine is equipped with an easily accessible weight tray for easy change of weight.

- Standard frame color: Black
- Standard cushion color: Black / Red
- Ergonomically designed
- Weight block: 80 kg
- Larger weight block (optional)
- Easy to use
