

MultiClimb

Find your way to the top

The module in action:

Spark a sense of adventure in your guests as they ascend the MultiClimb from three different sides, using distinct climbing features such as grips and ropes.

Once they reach the top, they can slide down or leap into the water for a splashy finish. The MultiClimb is designed to test both skill and endurance, providing a fun challenge for visitors of all ages and fitness levels.

Your benefits:

The MultiClimb's versatility makes it an excellent standalone attraction or a dynamic addition to your existing park. The three SUS platforms ensure that it is easily accessible and usable from all sides.
